Dear,

My name is Sebastian Giraldo and I am a front-end developer with experience in web and mobile application development. I heard that your company is looking for a front-end developer and I would like to apply for the position.

I have 2 years of experience in web and mobile application development using technologies such as HTML, CSS, JavaScript and React. I have worked on projects with multi-disciplinary teams and have always made sure to meet client requirements and deadlines.

In addition to my technical expertise, I am a proactive, hardworking and eager to learn person. I love keeping up with the latest trends in technology and am always looking for new challenges and opportunities to improve my skills. I would love to apply my skills and experience in your company and contribute to the development of high quality applications. Thank you for considering my application.

If you need more information about my experience or skills, please do not hesitate to contact me.

Sincerely, Sebastián Giraldo
